

C'mon N' Ride It (The Train)

Quad City DJ's

Woo woo...

1-Come on, ride the train, hey, ride it, woo woo
Come on, ride the train, hey, ride it, woo woo
Come on, ride the train, woo woo, hey
Ride it, woo woo
Come on, ride the train
Woo woo, hey, ride it, woo woo
Come on, ride the train
It's the choo choo, ride it, woo woo
Come on, ride the train, it's the choo choo train
Come on, ride the train, it's the choo choo
Ride it, woo woo
Come on, ride the train, it's the choo choo train

2-Ah, ah, ah, ah, ah

I think I can, I think I can

I think I can, I think I can

Way deep down south, well we play this game

It's them Quad City D.J.'s and you,

We call it "the train"

So if you wanna ride your thing

Just come on down the train

We gonna rock, ooh, Lord, just jump aboard, baby

So get your next of kin, your sister and your friend

Pack it up now, choo choo, ride on this, choo choo

And, boo, you need to stop faking, and come on with me

I wanna take you home with me, to be alone with me

And I can see you wanna hide it, come on, just divide it

And please don't knock it, until you ride it

So to all of you girls, you know, I'm calling your name

Michelle, Tamika and Tanya

Wanna ride this train, ride out now

(repeat 1)

3-If you feel like dancing, well come on, it's up to you

We got the sound to keep you getting down, down

The train is coming through

(repeat 2, 2)

I can smell them tranquil breezes from a mile away

Graduated from Boone up to Alize

Baby, you looking tough to death

Got your weave done right, it's on so tight

Now it's on tonight, yeah, yeah

Right about now it's about that time for me to holler

Girl, I wanna waller in the back of my impala

Woo, don't need no tickets for this thing

Just jump on in, let me hit them switches on the train

And it ain't no thing, it's all the same

Get on the train tracks

Here we go, so get on the floor

And put a hump in your back

So pack your bags, come on, get ready, say what?

We're coming through your town

Move your arm up and down

And make that choo choo sound, like this

Ride that choo choo, woo woo...

Come on it's the choo choo, woo woo

Come on it's the choo choo train
