

White Devil's Dream

Quasi

Bombs falling down like rain
Only for the White Devil's game
White Devil's greed
The try to pass it off as need
Bombs falling down like hail
Theres no more room in the jail
And no more money for the school
White Devil's played us for the fool
Bombs fall across the sea
And every day we get less free
I yell and i scream
To wake up from the White Devil's dream
A big fuck you to George Bush
Father and son
Jeb Bush too
All Bushs
Fuck you
Dick Cheney
Colin Powell
Donald Rumsfeld
Ashcroft
All you motherfuckers
Fuck you
Tony Blair
Sellout motherfucker
Fuck you too
You don't fucking fool everybody
