

I like my asses fat not flat  
My honey's backs stay fat, and they're always like that  
Not only in my house but on the streets there's stack and stack  
s, you know  
I don't move slow, I get my cash flow  
And then I go where brother's don't know, I'm on the down low  
Some get mad cause they don't understand  
That its Astro Black season, I'm in demand  
I'm down with D-I-T-C, that's digging in them cakes  
And my partner Lord Such we always get crazy dates  
I hit it right cause what goes around comes around  
Always look out, I'm hitting hookers like a hound  
In and out like a bout honey's always shout  
(Good looking Quas), yeah without a doubt  
But don't try to take advantage  
I'll just leave you alone instead of putting that ass in bandag  
es  
The big thighs you know I L-U-V  
And next up is M-A-D who like his asses F-A-T  
Check it out, yo Madlib is livin fat  
Are you gentle or the type that want to get your ass smacked  
Digging in some crates, play something smooth  
Teddy Pendergrass or M.O.P. however your body move  
I'm a top notch cake digger  
Use my tool as a trigger, getting hustle  
(Yeah that's my nigga)  
But the sex I always take  
But if the dip screams rape, like Kobe Bryant I'd be up state  
(And you know that's a fact black)  
So if she say no it means no and that's that  
No matter how cute or big-breasted  
Eh you heard she's got the boot, she got to get the exit  
A little mad I didn't hit it  
So I dialed 7 digits to some skins that's with it  
We can bone in my closet that's my logic  
But not every day because I'm working on my projects  
Wash your ass and take it easy  
Or act like Ray Charles cause you know you can't see me  
I like to sex one but I might take on two, or even three  
(Dang y'all look like triplets) All me  
Dropping that ass like bad demos  
And pulling all the cuties with no problemo  
That's right cause I'm a gamer  
(Your girl left you for me, Lord Quas, I don't blame her)  
(Step back), get your sticks and your bats  
Trying to step up cause my girls asses are fat
