

Pretty Like Drugs

Queen Adreena

the world is watching
as i take my last breath
the world is watching
as i get undressed
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
the world is watching
as my wings unfurl
the world is watching
the death of a girl
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
i load the gun
pretty like drugs
pretty like drugs
pretty like drugs
the world is watching
with a pregnant pause
the world is watching
as i fuck to applause
the world is watching
as i plant the last seed
the world is watching
me watching t.v.
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
i'm pretty like drugs
i load the gun
i wax and i wane
subject all my pain onto you, baby
i'm pretty like drugs
i'm pretty like drugs
cos i'm pretty like drugs
pretty like drugs
pretty like drugs
