Queen Latifah

My baby, she may not look like one of those bunnies out of the Playboy book well, I'm sorry 'bout that, Mr. Williams but she's Got something Johnny, much greater than gold well, now What's that? I'm crazy 'bout that girl, she's got so much soul

She's got the kind of loving, kissin' and a-huggin' Sure is mellow, glad that I'm her fellow And I know that she knocks me off my feet Have mercy on me 'cause she knocks me off my feet Can you dig it?

There is no girl in the whole world That can love me like you do ow Tell 'em bout it, Watson

My baby now, when she walks by
All the fellows go [unverified] and I know why
Have mercy, just look at her walk
It's simply because that girl, she walks so fine
And if she ever leave me, I will lose my mind

Because she's got the kind of lovin', kissin' and a-huggin'
Sure is mellow, glad that I'm her fellow
And I know that she knocks me off my feet
Have mercy on me! 'Cause she knocks me off my feet
I'd better tell 'em one more thing

There is no girl in the whole world That can love me like you do Ow, tell 'em 'bout it, Mr. Williams

Now everybody in my neighborhood

An' that's what's grooving me will testify that my girl, she looks so good

Well, let me tell you something else right here She looks so fine, she give eyesight to the blind Help 'em to make 'em see and if she ever leave me, I will lose my min d

Because she's got the kind of lovin'
Kissin' and a-huggin' sure is mellow, glad that I'm her fellow
And I know that she knocks me off my feet
Have mercy on me 'cause she knocks me off my feet
Can you dig it?

There is no girl in the whole world That can love me like you do Mercy, mercy, mercy
