

# Let Me Live

Queen

1. Why don't you take another little piece of my heart  
Why don't you take it and break it and tear it all apart  
All I do is give  
and all you do is take  
Baby, why don't you give me a  
brand new start

R: So let me live (let me live) let me live (leave me alone)  
Let me live and make a brand new start

2. Why don't you take another little piece of my soul  
Why don't you shape it and shake it till you're really in control  
All you do is take and all I do is give  
All that I'm asking is a chance to live

R: So let me live...

\*: It's a long hard struggle but you can always depend on me  
and if you're ever in trouble hey you know where I will be

3. Why don't you take another little piece of my life  
Why don't you twist it and turn it and cut it like a knife  
All you do is live, all I do is die  
Why can't we just be friends, stop livin' a lie

R: So let me live...

Let me live  
Please let me live  
Oh yeah baby, let me live  
And make a brand new start

Let me live (let me live)  
Oooh yeah (let me live)  
Come on (let me live)  
In your heart

(Take another piece, take another piece)  
(Take another piece, take another piece)  
Please let me live  
(Take another piece, take another piece)  
(Take another piece, take another piece)

4. Why don't you take another take another piece of my piece of my heart  
Oh yeah baby  
Make a brand new start baby baby baby

All you do is take (let me live)  
(Let me live)  
Oh yeah  
Let me live
