```
Stop all stop all (stop all) the fighting
Stop all stop all stop all the fighting
Stop it stop all the fighting
```

We want to live in a better place (live in a better place)
We want to make a better human race
We want to live in a better place (stop all the fighting)
We want to make a better human race
Stop all the fighting stop all the fighting

Don't do that don't get all excited You know that know that - not gonna like it Stop all (stop all) stop all stop all the fighting

We want to live in a better place (yeah yeah yeah)
We want to make a better human race
We want to live in a better place (stop all the fighting)
We want to make a better human race
Stop all the fighting stop all the fighting

Get all excited You don't have to do that You're not gonna like it That's a point of fact

We want to live in a better place
We want to make a better human race for you
We want to live in a better place
We want to make a better human race
Stop all the fighting stop all the fighting
