Burn the Witch

Queens of the Stone Age

Holding hands, skipping like a stone
On our way, to see what we have done
The first to speak, is the first to lie
The children cross their hearts and hope to die

Bite your tongue Swear to keep your mouth shut

Ask yourself, will I burn in Hell Then write it down and cast it in the well There they are the mob it cries for blood To twist the tale into fire wood

Fan the flames with a little lie
Then turn your cheek until the fire dies
The skin it peels, like the truth away
What it was, well, I would never say

Bite your tongue Swear to keep, keep your mouth shut Make up something Make up something good

Holding hands, skipping like a stone Burn the witch, burn to ash and bone Burn the witch, burn to ash and bone Burn the witch, burn to ash and bone
