## How to Handle a Rope

## Queens of the Stone Age

Too late to think or filter anymore The bitter pill to swallow, maybe you're In a blanket haze of ephedrine I'm wonderin' where the hell you been So come on and right this wrong the rope

You got it all right, you got a feeling I'd rather open up my wrist, let it go You got it all right, you got a feeling 'Cause devils and ropes around your neck Cursing them all and you can't hear it, can't hear it

Ain't got a mind to deal with anymore Sabatuer, infiltrator and maybe wrong If you're not blind and deaf Then how can we pollute your head? So come on and right this wrong the rope

And I got it all right, I got a feeling You'd rather open up your wrist, let it go I got it all right, yeah, I got a feeling 'Cause devils and ropes around my neck Can't even know 'cause they can't hear it Can't hear it, can't hear it, can't hear it
