

If Only

Queens of the Stone Age

If it gets you down, well then I'll take it
If it gets you up, well I don't want it
It let you down so broken-hearted
If it gets you down, well then I want it

If only, only
If only, only
If only, only
If only, only
We're nothing at all

So blow our mind and make it lazy
Those long long days with no escaping
I hold the wheel to let it go
Don't wanna stop, don't wanna know
If it gets you down, well just don't blame me

If only, only
If only, only
If only, only
If only, only
If only, only
If only, only
If only, only
If only, only
We're nothing at all
