

# My God Is the Sun

Queens of the Stone Age

Far beyond the desert road  
where everything ends up  
So good the empty space, mental erase  
Forgive, forgot

Heal them, like fire from a gun  
Kneeling, my god is the Sun  
Heal them, with fire from above  
Kneeling, my god is the Sun

I don't know what time it was  
I don't wear a watch  
So good to be an ant who crawls  
atop a spinning rock  
(beyond...)

Heal them, like fire from a gun  
Kneeling, my god is the Sun  
Heal them, with fire from above  
Kneeling, my god is the Sun

Heal them, like fire from a gun  
Kneeling, my god is the Sun  
Healing, kneeling  
godless heathens

Godless heathens always waltz on the sky...
