

Run, Pig, Run

Queens of the Stone Age

When I was young
We used to play the game called Hide & Seek
Someone go hide, I count to ten
You probably never played
Instead you talked a game of sheep
A skill you almost do perfect

Run...Pig...Run
Here...I...Come

Woo Hoo Hoo....Run
Woo Hoo Hoo....Run
Woo Hoo Hoo....Run

I am no saint & Make no claims
To being in the right
It's just for now, I am wrong-less
You're probably wondering
With what to do, this has with you
I wanna play the game you missed

Run...Pig...Run
Here...I...Come

There Is no safe place
There Is no safe place
There Is no safe place to hide

Woo Hoo Hoo...Run
Woo Hoo Hoo...Run
Woo Hoo Hoo...Run
