

Chemical Reaction

Queensberry

This is a chemical reaction - action A chemical reaction, it feels good for me A chemical reaction I wanna know if your love is for free I often date some guys with the right potential But they act in disguise, realness is essential Sometimes they got cash, but there's no credential All this money can't buy my love, my love I have to fall in love to give you the best of me, me Right now I'm having a thousand butterflies inside of me

CHORUS

This is a chemical reaction - action A chemical reaction, it feels good to me A chemical reaction I wanna know your love is for free A chemical reaction, it sets me free, so free The chemical reaction, it sets me free

I have to find real love, that's my motivation I'm addicted to this chemical sensation Let me spread my love across the nation Come and I'll give you a lovely demonstration I have to fall in love to give you the best of me, me Right now I'm having a thousand butterflies inside of me CHORUS I can feel it in my soul I'm in love I'll lose control The chemical reaction, it sets me free This is a chemical reaction - action A chemical reaction it sets me free, so free
