

Girl Like Me

Queensberry

You keep saying this
You keep saying that but the lies,
you're telling me I don't give a damn
What you want for now
Just put it on the line
Cause i like it I like it
What you want from me
It doesn't mean a thing
Cause I'm affracted to you
And the charming things you say
Cause I don't know
When we're gonna play
Whisper in my ear
So i can hear just what you say

CHORUS 2x

I know you keep on looking for
a girl like me A girl like Me
I know you keep on wishing for
a Girl like me, a girl like me.

I see you whit your boy
I know you play it cool
You like the color of my lip gloss And my booty,
to I'm giving you this hourglass
Get up close so and see
You'll like it You'll like it
What you want from me
Please don't run away
Cause I like your swagger
And the charming things you say I don't know
When we're gonna play
Come closer come closer

CHORUS 2x

I know you keep on looking for
a girl like me A girl like Me
I know you keep on wishing for
a Girl like me, a girl like me.

I'm hearing what you saying
A girl like me, I'm hearing what you're saying
A girl like me, a girl like me
Show me what yo like
Show me what yo like

2x CHORUS

I know you keep on looking for
a girl like me A girl like Me
I know you keep on wishing for
a Girl like me, a girl like me.
