Over It

Queensberry

I'm over your lies And I'm over your games I'm over you asking me When you know I'm not okay You call me at night And I pick up the phone And though you be tellin' me I know you're not alone

Oh and that's why Your eyes - I'm over it Your smile - I'm over it Realized - I'm over it I'm over it, I'm over

Wanting you to be wanting me No that ain't no way to be How I feel, read my lips Because I'm so over Movin' on and it's my time You never were a friend of mine Hurt at first, a little bit But now I'm so over I'm so over it

I'm over your hands And I'm over your mouth Trying to drag me down And fill me with self-doubt

Oh and that's why your world I'm over it - so sure I'm over it - I'm not your girl I'm over it, I'm over it I'm over

Wanting you to be wanting me No that ain't no way to be How I feel, read my lips Because I'm so over Moving on and it's my time You never were a friend of mine Hurt at first, a little bit But now I'm so over So over it, I'm so over it

Don't call, don't come by Ain't no use, don't ask me why You'll never change There'll be no more crying in the rain No, oh oh I'm over it

Wanting you to be wanting me No that ain't no way to be How I feel, Read my lips Because I'm so over Movin' on and it's my time You never were a friend of mine Hurt at first, a little bit But now I'm so over So over it I'm so over it

I'm over it Wanting you to be wanting me No that ain't no way to be How I feel, read my lips Because I'm so over Movin' on and it's my time You never were a friend of mine Hurt at first, a little bit But now I'm so over So over it
