## Queensberry

Oh, Yeah, YeahYeah,  
Oh, Yeah, YeahYeah,

Still in bed  
thinking about his kisses  
oh, what a night  
What's his name?  
I think I'll miss him

The smell of eggs  
he's cooking in my kitchen  
Is he for real?  
gonna make it hard to ditch him.

Got me sprung on you  
what you tryin'to do?  
it was supposed to be  
just one night with you  
now you're in my head  
instead of in my bed  
it was supposed to be  
just one night  
with you

La la la la  
La la la la  
(with you)  
La la la la la  
La la la la  
La la la la  
La la la la la

What do I do?  
I play it cool, I lose him

Next thing I know  
we're on the floor, I'm sweating

He's got a plan  
and he knows it's working.

Yeah, here's the man  
say my name, I'm admitting, I'm admitting

Got me sprung on you  
what you tryin'to do?  
it was supposed to be  
just one night with you  
now you're in my head  
instead of in my bed  
it was supposed to be  
just one night  
with you

Sprung on you  
I'm sprung on you  
Sprung on you

I'm sprung on you

No, this just isn't me  
I said i'd never be  
caught up slipping, I can't do that  
Baby, stay don't you go  
'cause I know once you're home  
I'll be calling you to come back to me!

Got me sprung on you (sprung on you)  
What you tryin'to do (tryin'to do)
