Sprung

Queensberry

Oh, Yeah, YeahYeah, Oh, Yeah, YeahYeah, Still in bed thinking about his kisses oh, what a night What's his name? I think I'll miss him The smell of eggs he's cooking in my kitchen Is he for real? gonna make it hard to ditch him. Got me sprung on you what you tryin 'to do? it was supposed to be just one night with you now you're in my head instead of in my bed it was supposed to be just one night with you La la la la La la la la (with you) La What do I do? I play it cool, I lose him Next thing I know we're on the floor, I'm sweating He's got a plan and he knows it's working. Yeah, here's the man say my name, I'm admitting, I'm admitting Got me sprung on you what you tryin to do? it was supposed to be just one night with you now you're in my head instead of in my bed it was supposed to be just one night with you Sprung on you I'm sprung on you Sprung on you

I´m sprung on you

No, this just isn't me I said i'd never be caught up slipping, I can't do that Baby, stay don't you go 'cause I know once you're home I'll be calling you to come back to me!

Got me sprung on you (sprung on you) What you tryin'to do (tryin'to do) it was supposed to be (supposed to be) just one night with you now you're in my head (in my head) instead of in my bed (in my bed) it was supposed to be (supposed to be) just one night

Got me sprung on you (sprung on you) What you tryin'to do (tryin'to do) it was supposed to be (supposed to be) just one night with you (one night with you) now you're in my head instead of in my bed it was supposed to be (one night) just one night (one night with you) with you.
