

# Too Young

Queensberry

What If I Could Turn Back Time Tonight  
Play Fighting Games With You  
Like We Used To  
And You Could Say Its Gonna Be Alright

Now These Days Are Gone  
I Never Forget It

Cause I Have Time  
Of My Life  
Oh Maybe We Were Just  
Too Young  
Hanging On  
Having Fun  
On The Mainstreet

Living Like We Would Live Forever  
Sugared Me Whine  
Like A Runaway Train  
Watchin An On Like I Miss You Like Crazy

Sometimes  
Oh Maybe We Were Just  
Too Young  
We Were Just Too Young

It Was Always You and Me  
Against The World  
Breaking Every Road  
There Was To Break

Living In A Firm Where Boys Meet Girls  
Why You Disapear Not Saying A Word  
Still I Have a Time Of My Life

Oh Maybe We Were Just  
Too Young  
Hanging On  
Having Fun  
On The Mainstreet  
Living Like We Would Live Forever  
That Sugared Me Whine  
Like A Runaway Train  
Watchin An On Like I Miss You Like Crazy

Sometimes  
Oh Maybe We Were Just  
Too Young  
We Were Just Too Young

Tell Me Do You Feel Like I Do  
Or Is It Just A Memory

Oh Maybe We Were Just  
Too Young  
Hanging On  
Having Fun

On The Mainstreet  
Living Like We Would Live Forever  
That Sugared Me Whine  
Like A Runaway Train  
Watchin An On Like I Miss You Like Crazy

Sometimes  
Oh Maybe We Were Just  
Too Young  
Hanging On  
Having Fun  
On The Mainstreet  
Living Like We Would Live Forever  
That Sugared Me Whine  
Like A Runaway Train  
Watchin An On Like I Miss You Like Crazy

Baby We Were Just Too Young  
We Were Just Too Young
