For just one minute, step into my life.

Read the page and run away with me.

The day I made that vow.

I didn't know then what I know today.

There's so much to say.

I don't know what the future holds and I'm sorry if I seemed to o cold.

A man conflicted in his head makes poor choices, regrets the words he said.

Remember me and all the times we had.

The way I held you.

Remember me whenever you feel sad.

All I want from you is for you to tell me that you miss me.

Will you wait for me?

Remember me...please.

Just wait one minute. Give me a chance

and I'll make you see just what you really mean to me.

It took a living hell to show me.

All I want is to be with you.

You know that what I say is true.

I promise when I get back home I'll be the man you used to know .

And I won't spend another day without you, girl.

I need your strength.

Please stay and remember me and all the times we had.

The way I loved you.

Remember me whenever you feel sad.

All I want from you is for you to tell me that you miss me.

Will you wait for me?

Remember me.
