

Under the Screw

Quicksand

In my mind..
Sense and nonsense
Hold a place
In my heart

Hey!

I am not a game
Second try absolutes
Hey look who's talking?!
The one last seen

Hey!

Looking good

Hold the line
Would it hurt to look out for each other?
No divide
I can't help it, I got a very fatalistic mind

Never mind
Identity
And it bounces off you
And sticks to me

Hey!

Feeling good

Hold the line
You know we've got to look out for each other
No divide
I can't help it, I got a very fatalistic mind
