

Maybe it's 'cause your mom never kissed you  
If you ever cried you'd wipe with muscle tissue  
You bench pressing more than me's not the issue  
I know you're actually weaker than that  
Let's open up and get deeper than that

Like why, why are you only vulnerable when no one's around?  
Your gym membership is not a crown

You're not so tough  
I know that nightlight's on when you sleep  
You're not so tough  
Yeah, you watch Eat Pray Love on repeat  
And I'm sure you'd win in an altercation  
But you're still insecure to me  
Oh, so mess me up  
I know you're not so tough

Are you insecure that the steroids are causing hair-loss?  
That your Lulu shorts don't quite vibe with your camo AirPods  
And if I ran into you passed sunset, I'd probably be scared off  
But I know you're honestly weaker than that  
I bet you know that you need to relax

And I don't mean to come at you like it's Watergate  
My pale, ghostly body's purely water weight  
Yeah, I should probably substitute what is on my plate  
But I still acknowledge those feelings inside  
Let's work on your habit to run or to hide

Like why, why are you only vulnerable when no one's around?  
Your gym membership is not a crown

You're not so tough

You're not so tough

And I'm sure you'd win in an altercation  
But you're still insecure to me  
Oh, so mess me up  
I know you're not so tough

You're not so tough... you're not  
You're not so tough... you're not  
You're not so tough... you're not  
You're not so tough... you're not

You're not so tough  
I know that nightlight's on when you sleep  
You're not so tough
