

In Contempt

Quo Vadis

Committing To Sound
What Words Cannot Express
What Lies Cannot Divert
And Rip Into Shreds

Living Snapshots Of Events
A Violent Maze Of Lies
Like Shadows Standing Still

A Testimony Of Accusations
Carving Out A Frozen Landscape
Filled With Twisted Form,
Of Faceless Cowards
And Frozen Faces
Cowards!
And Frozen Faces

The Arrogant And Hollow Crumble
Beneath The Boots Of Truth
Like Silence Standing Still

A Testimony Of Accusations
Carving Out A Frozen Landscape
Filled With Twisted Form,
Of Faceless Cowards
And Frozen Faces
Cowards!
And Frozen Faces

A Crumbling Image, An Empty Shell
Lies Of Which Sustain
Like Statues Standing

SOLO : Frydrychowicz
SOLO : Seghers

Committing To Sound
What Words Will Not Express
What Lies Cannot Divert,
And Rip Into Shreds

Arguments Ablaze!
The Stress Turns The minds Alive
Alive!
