R.A. the Rugged Man

Annotate

After pissy alleyway, side to the burnt building  
Heroin addicts and the rats in the size of small children  
Chilling with his snaky ass dirty ham ho  
Fat wigger white chick grinding me, giving me a lapdance to Luchini C  
amp Lo  
My ex-girl mama used to call me white Sambo  
I'm like, bitch, I'm an artist, call me Vincent Van Gogh  
I get Louis Farrakhan dating a platinum blonde  
I get skinheads bowing to Mecca and praying to Islam  
I can't afford Dre, Swizz Beatz, or a Timbaland track  
But I can rip any rapper with just a kick and a handclap  
I punch fans, I punch kids, I punch females, I punch cops  
I spit punchlines, I don't need to punch clocks  
Hip hop, I'm the verbal resurrection  
You a sell-  
out, take them tight pants off and take the gerbil out your rectum  
How you gone flip the script without having a premise?  
I'm a hooligan like James Caan's son with Alan The Chemist  
You could get your teeth taken out without having a dentist  
I'm a white man dingo, the white black African menace  
My background dancers are both wack  
Drunk as shit doing the Pee-wee, they look like Josky Love on crack  
Do it

Welcome to the fun house

The fun house

La-di-da-di, we like to party

We don't cause trouble and we don't bother nobody, nobody

Yo, welcome to the world of the DG's, too disgusting

The death, the destruction

My world you get eaten up in

Stomping and murking them, I'm on a train like Colin Ferguson

Bringing the sling thing rhythm ninja mind, I'll murder them

My trailer loaded with girls like Shaba

You fucking with them tranny bitches

Your girl got testicles, an Adam's apple, look like Gaga

I'm one of the best

My flow more fatal than the slug that Marvin Gaye Sr. put in his son's  
chest

Apocalyptic when I'm popping a biscuit

I'm popular, they won't be happy 'til I get shot, it's horrific

What is you bitches smoking, a rock, or you sniffing

Slobbering cock when you hop on the block and you visit

Fuck it, any topic I'll rip it

Dead presidents with my shoe, that's how I do

Pork swallowing, I'll make bacon outta the swine flu

I'll throw my dick to any female

I got so many bumps blind bitches could touch my dick and read braille
