Receiving department, 3 A.M. Staff cuts have socked up the overage Directives are posted, no callbacks, complaints Everywhere is calm

Hong Kong is present, Taipei awakes All talk of circadian rhythm

I see today with a newsprint fray My night is colored headache gray Daysleeper Daysleeper Daysleeper

The bull and the bear are marking their territories They're leading the blind with their international glories

I am the screen, the blinding light I'm the screen, I work at night

I see today with a newsprint fray My night is colored headache gray Don't wake me with so much Daysleeper

I cried the other night I can't even say why Fluorescent flat caffeine lights It's furious balancing

I am the screen, the blinding light I'm the screen, I work at night

I see today with a newsprint fray My night is colored headache gray Don't wake me with so much

The ocean machine is set to 9 I'll squeeze into heaven and Valentine My bed is pulling me, gravity Daysleeper Daysleeper Daysleeper Daysleeper Daysleeper
