

# Laughing

R.E.M.

Laocoön and her two sons  
Pressured storm, tried to move  
No other more emotion bound  
Martyred, misconstrued

Lighted in a room, in the room  
Lighted, lighted, laughing in tune  
Lighted, lighted, laughing

Laocoön and her two sons  
Run the gamut, sated view  
Know them more, emotion bound  
Martyred, misconstrued

Lighted in a room, in the room  
Lighted, lighted, laughing in tune  
Lighted, lighted, laughing

In a room, lock the door, latch the room  
Lighted, lighted, laughing

Laocoön and her two sons  
Ran the gamut, settled new  
Find a place fit to laugh  
Lock the doors and latch the room

Lighted in a room, in the room  
Lighted, lighted, laughing in tune  
Lighted, lighted, laughing in tune

Lighted, lighted, laughing in tunes  
Lighted, lighted, laughing in tune
