It's quiet now, and what it brings is everything.

comes calling back a brilliant night, I'm still awake
Emi Es C B Ami7
I looked ahead I'm sure I saw you there
Emi Es C B Ami7
you don't need me to tell you now, that nothing can comp, are
G D
you might have laughed if I told you
C Ami
you might have hidden the frown
G D
you might have succeeded in changing me
C Ami
I might have been turned around
G D
It's easier to leave than to be left behind
C Ami
leaving was never my proud
G D
leaving New York never easy
C Ami
I saw the life fading out

now life is sweet and what it brings I tried to take...
the loneliness, it wears me out, it lies in way
and on our lost till in my eyes, shadow of necklace across your thigh
i might have lived my life in a dream, but i swear, this is real
Memory fuses in shatters out glass, but carry your future, forget the past
but it's you, it's what i feel.

you might have laughed if I told you (it's pulling me apart)
you might have hidden the frown (change)
you might have succeeded in changing me (it's pulling me apart)
I might have been turned around (change)
It's easier to leave than to be left behind (it's pulling me apart)
leaving was never my proud (change)
leaving New York never easy (it's pulling me apart)
I saw the light fading out
