Ami
Life is bigger
Emi
It's bigger than you
           Ami
And you are not me
                       Emi
The lengths that I will go to
               Ami
The distance in your eyes
Oh no I've said too much
I set it up
That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
                           Ami G
I think I thought I saw you try
Every whisper
Of every waking hour I'm, Choosing my confessions
Trying to keep an eye on you, Like a hurt lost and blinded fool
Oh no I've said too much, I set it up
Consider this, The hint of the century
Consider this, The slip that brought me
To my knees failed, What if all these fantasies
Come flailing around, Now I've said too much
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try
                   Dmi
But that was just a dream
That was just a dream
That's me in the corner
That's me in the spotlight ...
   C
But that was just a dream
      С
That was just a dream
      G
                                  Ami
```

just a dream, just a dream, dream
