Time After Time (AnnElise)

R.E.M.

Ask the girl of the hour by the water tower's watch If your friends took a fall, are your obligated to follow Time after time

When the bull's on his hooves, when you gather friends by the tower

If you try to refuse, will they judge your worth by the hour Time after time after time, time after time after time

If you're tired and you've tried you can find me in my room You can stay if you want but the third time you can't lose Time after time after time, time after time after time

Ask the girl of the hour by the water tower's watch We can fight if you want but who will turn out the lights Time after time after time, time after time after time Time after time after time after time
