

## Wolves, Lower

R.E.M.

Suspicion yourself, suspicion yourself, don't get caught  
Suspicion yourself, suspicion yourself, let us out  
Wilder, lower, wolves  
Here's a house to put wolves out the door

In a corner garden, wilder, lower, wolves  
House in order, house in order  
House in order, house in order  
Down there they're rounding a posse to ride
