

# A Love Letter Christmas

R. Kelly

Do do do do do do do do do  
This is a Christmas remix

And it's sang  
La la la la la la la la la la  
Baby

Did you get my card  
Did you read my love letter  
Did it touch your heart  
When you read my love letter

Pour the wine, read the signs  
Baby, it's Christmas time  
You and me underneath this tree  
Candle stories told  
Kisses under mistletoe  
And everyone's asking their family

Did you get my card (Christmas card)  
Did you read my love letter (Did you read my love letter)  
Did it touch your heart (Did it touch your heart, girl)  
When you read my love letter (My Christmas love letter)

Sleigh bells, sweet dreams  
Kids are sleep, you and me  
Wrap the gifts I can't wait til morning  
Cuz, this moment's so heaven sent  
Marshmallows, hot chocolate  
Fireplace, you and me cuddling

Did you get my card (Christmas card)  
Did you read my love letter (Did you read my love letter)  
Did it touch your heart (Did it touch your heart, girl)  
When you read my love letter (My Christmas love letter)

(My hope is) I hope these words find you  
I wrote this letter according to my love for you  
So I hope these presents will travel safely to where you are  
You find my heart with a ribbon wrapped on it in a box  
Though near or far, I will find a way to send my love  
Only pray that it don't come back turned into cinder  
If you are reading this I hope that things are well  
And you can text me back, or write me back just check your mail

Did you get my card (My Christmas card, yea baby)  
Did you read my love letter (Did you read my love letter, girl)  
Did it touch your heart (When you read it)  
When you read my love letter (My love)
