

Be My #2

R. Kelly

I could never be ya boyfriend
Cuz you know I gotta special girl
And I could never be ya husband
But doht dont mean you still dont rock ma world
And I can you take you to an island
We can be there just the two of us
God I love to see you smilin
All I ask is that you keep it hushed

Be ma #2
Gurl I love you
Be my #2
Gurl I need you
Be my #2
Gurl ur so fine (so fine)
Be my #2
But you will never be my #1 (3x)

I could take you out to dinner
But theres a couple places we wont go
Cuz #1 is a beginner
And theres a couple things that she dont know
So I can take you to a hotel
We can be there just the two of us
Gurl I love you cuz you dont tell
Nd you know how to keep it hush hush

Be ma #2
Gurl I love you
Be my #2
Gurl I need you
Be my #2
Gurl ur so fine (so fine)
Be my #2
But you will never be my #1 (3x)

The way you give it to me
I gotta have it (have it)
Cuz shes ma beauty queen
And ur ma have it (haa--aave it)
So baby.....
