Oooh like trapped in walls and its no escape  
Oooh like a precious jewel with no price tag  
Oooh like waterfalls comin' down on me

Oooh like a favorite scene in a big movie

Oooh like you and me makin' history baby  
Oooh like a 99th anniversary  
Oooh like a baby when it speaks its first words  
Oooh like an uplifting song the first time heard  
Oooh like a shelter when the storm gets ruff  
Oooh like a mountain top from the bottom up  
Oooh like an expensive suite at the best hotel  
Oooh like a work of art when its unveiled

Like the moon, yeah when it glows at night,  
and like the sun oh yeah when it shines real bright,  
and just like the ocean when the well comes high,

Like an eagle when it soars the sky
