Oh baby,
If I could explain the joy I feel ......
Oooh If I could explain the joy I feel
All this love makin is oh so real
Oooh like winter time by the fireplace
Oooh like traped in walls and its no escape
Oooh like a precious jewel with no price tag
Oooh like waterfalls comin' down on me
Oooh like tidal wave comin' from the sea
Oooh like a favorite scene in a big movie
You wanna know how I feel just like that, just like that baby (Ooooooh)
You wanna know how I feel just like that, just like that baby (If you wanna

You wanna know how I feel just like that, just like that baby
Oooh like you and me makin' history baby
Oooh like a 99th anniversary
Oooh like a baby when it speaks its first words
Oooh like an uplifting song the first time heard
Oooh like a shelter when the storm gets ruff
Oooh like a mountain top from the bottom up
Oooh like an expensive suite at the best hotel
Oooh like a work of art when its unvailed
You wanna know how I feel, just like that, just like that baby (like that )

You wanna know how I feel, just like that, just like that (Ooooh)
Oooh like a great blue sky's on a summer day
Oooh like sittin close in a small cafe
Oooh like makin love to someone you love
Oooh like breakin up then makin up
Oooh like a warm embrace when you come around
Oooh like the sweetest words when your feelin down
Oooh like lost inside of a masquerade
Oooh like a celebration in a big parade
Oooh like a secret told to the one you trust
Oooh like kissin you in a all white tux
