## Sadie

Early one Sunday morning Breakfast was on the table There was no time to Eat She said to me boy hurry to Sunday school Filled with the long of glory We learned the holy story She'll always have her dreams Despite the things This troubled world can bring. Oh Sadie don't you know we love you sweet Sadie Place No one above you sweet Sadie Well Well Well Living in the past Sometimes it seems so funny, no money can turn your life around Sweeter than cotton candy Stronger than papas' old Brandy Always that needed Smile Once in awhile she would break down and cry Sometimes she'd be so Нарру Being with us and daddy Standing the worst of times Breaking the Binds with just a simple song Oh Sadie She's Loving my song in a special way Sweet Sadie Living in the Past. Oh she's never sinning in Love she's always winnin My my my my my Τ Love you mama I just can't forget how you gave me love oh no If there's a Heaven up above I know she's teaching angels how to love Its a mean world Without ya And I surely miss you much mother And now that your gone I'm Gonna carry on Cause your cryin lady Ooh sadie When I think about the Things that you done for me Hey it brings a joy way down deep inside of me
