

Won't Be Home Tonight

Ra

I'm feeling alone tonight
I feel like my world is fading
Your memory's running out my time
My time
Wherever you go
I'll be with you
Whatever you know
In my heart, I'm true
With nothing to find
I walk the whole world blind
Leaving everything behind

Ooo, there's a letter on the table
Ooo, there's a key left in an open door
Ooo, I guess I didn't get it right
Thought I made it to the end
But you won't be home tonight
Won't be home tonight

I wasn't afraid to say
And I wasn't completely lying
It's never as simple as it seems
It seems
Wherever you go
I'll be with you
Whatever you know
In my heart, I'm true
With nothing to find
I walk the whole world blind
Leaving everything behind

Whatever I did
It had nothing to do with you
It was all my own weakness
And I'll never forgive myself
For losing you
Never

Ooo, there's a letter on the table
Ooo, there's a key left in an open door
Ooo, I guess I didn't get it right
Thought I made it to the end
But you won't be home tonight
Ooo, there's a letter on the table
Ooo, there's a key left in an open door
Ooo, I guess I didn't get it right
Thought I made it to the end
But you won't be home tonight
Won't be home tonight
