

So Far Away

Rachael Sage

So far away
Doesn't anybody stay in one place anymore?
It would be so fine to see your face at my door
It doesn't help to know that you're so far away
Long ago I reached for you and there you stood
Holding you again could only do me good
How I wish I could
But you're so far away

One more summer, I'm moving along the highway
Can't say much of anything that's new
If I could only work this life, I, my way
I'd rather spend it being close to you
But you're so far away

Doesn't anybody stay in one place anymore?
It would be so fine to see your face at my door
It doesn't help to know that you're so far away
Yeah, you're so far away

Travelling round sure gets me down and lonely
Nothing else to do but close my mind
I sure hope the roads don't come to own me
There's so many dreams I've yet to find
You're so far away
Yeah, you're so far away

So far away, so far away
So far away, so far away
Doesn't anybody stay...
So far away
Doesn't anybody stay...
Far away
Travelling round sure gets me down
So far away
Doesn't anybody stay in one place?
Doesn't anybody stay?
