

Thinking Of You

Racoon

Thinking of you

There's a lot of things I didn't do
There's a lot of things I did
There's a million ways to follow through
Only a couple are good I bet
Although I know we'll all be left alone
I can hang my head in shame
But hell, there's a hundred thousand ways
To hide the pain

I don't mean to walk away
Not while others are still standing
I don't want to take your shame
When it's helping you remember
I won't take away your name
Go on and live your life in anger
No, I don't want to die today
Nor will I live my life in pain

Don't mean to be rude or anything
I don't mean to be rude to anyone
Don't mean to be rude or anything
I'm just breaking my head

Thinking of you
Thinking of you
Thinking of you

I don't want to brag away
Using words as sweet as honey
Don't believe when people say
A rich man's joke is always funny
Do you still fight for the things you want
Or have you given up your anger
You're still a dreamer day by day
I guess you shot down your ideals

I don't mean to be rude or anything
I don't mean to be rude to anyone
I don't mean to be rude or anything
I'm just breaking my head Thinking of you

Thinking of you
Thinking of you
Thinking of you
Thinking of you

I don't mean to be rude or anything
I don't mean to be rude to anyone
I don't mean to be rude or anything
I'm just breaking my head

Thinking of you
Thinking of you
Thinking of you
Thinking of you

Thinking of you
Thinking of you
Thinking of you
