

Superhero

Radical Something

No, I don't need much
But lately things have come up missing
And I don't know where they've gone
And yes, I need love
But if you don't have none to give me
Then you can keep moving on

Cause we don't need a super hero
To come and save us from the cards that we've been dealt
No, we don't need no super hero
Superman can go to hell cause we don't need nobody's help
We'll save ourselves!

I woke up like: "Hey, let's go!"
I'll drink a bloody then I'll hit the road
See I don't know where I should roll
But I guess I'm okay with being alone
Just got a lot of love stuff on my mind
Should I lie? Should I cry? Should I work nine to five?
Should I let my woman decide?
Oh, and there's a lot of maybe's that I'm holding up
And sometimes I gotta wonder if I'm strong enough

Cause we don't need a super hero
To come and save us from the cards that we've been dealt
No, we don't need no super hero
Superman can go to hell cause we don't need nobody's help
We'll save ourselves!

I don't know what you've been told
And I don't know how the story goes
But I just now realized I can do this on my own!

Check it, uh, this is my life:
All night, no sleep
I wonder what the hell gonna happen to me
If I'm gonna get fired tomorrow
Well, is she gonna leave? Ooh
And I guess this time I got my own back
And I guess it's time for you to know that...
That every minute that I'm rolling with my backpack
Oh, is all I need

Cause we don't need a super hero
To come and save us from the cards that we've been dealt
No, we don't need no super hero
Superman can go to hell cause we don't need nobody's help
We'll save ourselves!
We'll save ourselves!
We'll save ourselves!
We'll save ourselves!
Cause we don't need help
We don't need help
Superman can go to hell cause we don't need nobody's help
Cause we don't need a super hero
To come and save us from the cards that we've been dealt
No, we don't need no super hero

Superman can go to hell cause we don't need nobody's help
We'll save ourselves!
