Ami **E**
Wake, from your sleep,
Dsus2/C **D/F#**
The drying of your tears,
Ami **E** **Asus4** **A**
Today, we escape, we escape.

Ami **E**
Pack and get dressed,
D7sus2/C **D/F#** **D/F**
Before your father hears us,
Ami **E** **Asus4** **A**
Before all hell breaks loose.

Gmi **Hmi**
Breathe, keep breathing,
Asus2 **Ami** **Asus2** **Asus4** **Ami** **E**
Don't lose, your nerve
Gmi **Hmi**
Breathe, keep breathing,
Asus2 **Ami** **Asus2** **Asus4** **Ami** **E** **Emi**
I can't do this alone.

Sing us a song.
A song to keep us warm,
There's such a chill, such a chill...

Ami **H**
And you can laugh
E **F**
A spineless laugh
A spineless laugh
F **B** **E**
F **B** **E**
We hope your rules and wisdom choke you.

Ami **E**
And now we are one
D7sus2/C **D/F#** **D/F**
In everlasting peace

Ami **E** **Asus4** **Asus2**
We hope that you choke that you choke.
Ami **E** **Asus4** **Asus2**
We hope that you choke that you choke.
Ami **E** **Asus4** **Asus2**
We hope that you choke that you choke.
