

# The Tourist

Radiohead

It barks at no one else but me  
Like it's seen a ghost  
I guess it seen the sparks a-flowing  
No one else would know

Hey man slow down, slow down  
Idiot, slow down, slow down

Sometimes I get overcharged  
That's when you see sparks  
You ask me where the hell I'm going  
At a thousand feet per second

Hey man slow down, slow down  
Idiot slow down, slow down

Hey man slow down, slow down  
Idiot slow down, slow down
