Louisiana Blue

Radney Foster

This Pain --- Is Deeper Than The Ponchartrain
Now That I'm Alone Again After Losing You
I'm Going Down To Basin Street
Where The Broken Dreamers Meet
Where My Broken Heart Can Beat Louisi-ana Blue

Chorus:

(Where) Those Muddy Bayous Run Just As Black As Coca Cola Ain't No Other Place I Can Be Bluer That I Know Of Gonna Pack My Bags Turn Up My Collar Put On My Travelin' Shoes Go Down To New Orleans And Turn Louisi-ana Blue

You Should See This Heart That You Re-turned To Me Now It Only Yearns To Be On The Next Train Through I Just Want To Disappear Heading South A-way From Here Running 'Til I Turn My Tears Louisi-ana Blue

Repeat Chorus

Instrumental Break:

I'm Gonna Pack My Bags Turn Up My Collar Put On My Travelin' Shoes

Go Down To New Orleans And Turn Louisi-ana Blue I'm Gonna Raise The Mississippi River Crying Over You Go Down To New Orleans And Turn Louisi-ana Blue
