**Ami** **F** **Dmi**  
You know I am not looking for easy ways  
**C** **Dmi** **C** **E**  
that's why I am saying it's over  
**Ami** **F** **Dmi**  
although I could lie till the end of my days  
**C** **Dmi** **Ami**  
pushing myself lower and lower

You know I am not looking for easy paths  
I feel love from messages you are sending  
but there is no future for our past  
and your plain is landing

**Hmmmm**

To overlive the death of all my love I've lost  
as well as the hope as the power  
and now we have to pay the highest cost  
I can't call you any more, my lover

You know I am not looking for easy ways  
I feel love from messages you are sending  
but I don't want to lie till the end of my days  
and your plain is landing
