

Physical Form

Rae Morris

We were in a room so small
I could see the freckles on your arms
Making friends with all four walls
'Cause you thought when you turned your back, you'd do no harm

There's a quiet place
Sometimes I hide in my mind
Every time I go there, I'm OK
But I can't stay inside the lines

Do your eyes see me where I'm standing?
You're not blind, so why am I invisible?
Do your eyes see me where I'm standing?
All my life, I've been here in physical form
(Oh, oh, oh)
Physical form
(Oh, oh, oh)
Physical form
(Oh, oh, oh)
Physical form

Suddenly the lights come on
Everything is drenched in finer things
I can feel this [?] too [?]
I'm bathing in the reign of future kings

But there's a quiet place
Sometimes I hide in my mind
Every time I go there, I'm OK
But I can't stay inside the lines

Do your eyes see me where I'm standing?
You're not blind, so why am I invisible?
Do your eyes see me where I'm standing?
All my life, I've been here in physical form
(Oh, oh, oh)
Physical form
(Oh, oh, oh)
Physical form
(Oh, oh, oh)
Physical form
(Oh, oh, oh)
