

# Running Shoes

Rae Morris

Somewhere far away  
In a place I used to know  
There's a quiet house, where the blueberries grow  
And the internet's slow (slow)  
Somewhere far away  
I am used to missing you  
Whisper my name if you'll miss me too  
And I'll put on my running shoes

Yeah, and I'll run home to you  
Yeah, put on my running shoes  
Yeah, I'm coming back to you  
Lightning speed  
Yeah, and I'll run home to you  
Yeah, put on my running shoes  
Yeah, I'm coming back to you

I'll go 300 miles  
Through the rivers, roads and rain  
Until I reach that place where the animals graze  
On the hillside for days  
See that you're okay  
And catch up on all your news  
But I've got a life in the south now too  
Put on my running shoes

Yeah, and I'll run home to you  
Yeah, put on my running shoes  
Yeah, I'm coming back to you  
Lightning speed, I'm travelling like lightning speed  
Yeah, and I'll run home to you  
Yeah, put on my running shoes  
Yeah, I'm coming back to you

I might not wanna settle for the country  
And I might not be quite cut out for the town  
But I don't have to choose  
Cause I've got running shoes

Yeah, and I'll run home to you  
Yeah, put on my running shoes  
Yeah, I'm coming back to you  
Lightning speed, I'm travelling like lightning speed  
Yeah, and I'll run home to you (lightning speed)  
Yeah, put on my running shoes  
Yeah, I'm coming back to you  
I'm travelling like lightning speed  
Lightning speed  
I'm travelling like lightning speed  
Put on my running shoes
