

Oats and Beans and Barley

Raffi

Oats and beans and barley grow.
Oats and beans and barley grow,
Oats and beans and barley grow,
You or I or anyone know how oats and beans and barley grow.
First the farmer plants the seeds,
Stands up tall and takes his ease,
Stamps his feat and claps his hands,
And turns around to view his lands.
Oats and beans and barley grow,
Oats and beans and barley grow,
Do you or I or anyone know how oats and beans and barley grow.
Then the farmer watches the ground,
Watches the sun shine all around,
Stamps his feat and claps his hands,
And turns around to view his lands.
Oats and beans and barley grow,
Oats and beans and barley grow,
Do you or I or anyone know how oats and beans and barley grow.
