Octopus's Garden

I'd like to be under the sea In an octopus's garden in the shade He'd let us in, knows where we've been In his octopus's garden in the shade

I'd ask my friends to come and see An octopus's garden with me

I'd like to be under the sea In an octopus's garden in the shade

We would be warm below the storm In our little hideaway beneath the waves Restin' our head on the sea bed In an octopus's garden near a cave

We would sing and dance around Because we know we can't be found

I'd like to be under the sea In an octopus's garden in the shade

We would shout and swim about The coral that lies beneath the waves Lies beneath the ocean waves Oh, what joy, for every girl and boy Knowing we're happy and we're safe Happy and we're safe

We would be so happy you and me No one there to tell us what to do

I'd like to be under the sea In an octopus's garden with you In an octopus's garden with you In an octopus's garden with you
