

## Sleep Now in the Fire

Rage Against the Machine

The world is my expense  
The cost of my desire  
Jesus blessed me with its future  
And i protect it with fire  
So raise your fists  
And march around  
Don't dare take what you need  
I'll jail and bury those committed  
And smother the rest in greed  
Crawl with me into tomorrow  
Or i'll drag you to your grave  
I'm deep inside your children  
They'll betray you in my name

Sleep now in the fire

The lie is my expense  
The scope of desire  
The party blessed me with its future  
And i protect it with fire  
I am the nina the pinta the santa maria  
The noose and the rapist  
And the fields overseer  
The agents of orange  
The priests of hiroshima  
The cost of my desire

Sleep now in the fire

For it's the end of history  
It's caged and frozen still  
There is no other pill to take  
So swallow the one  
That made you ill  
The nina the pinta the santa maria  
The noose and the rapist  
The fields overseer  
The agents of orange  
The priests of hiroshima  
The cost of my desire

Sleep now in the fire
