Township Rebellion

Rage Against the Machine

Rebel, rebel and yell 'Cause our people still dwell in hell Locked in a cell, yes, the structure's a cell Mad is the story I tell, how long can we wait? Come on, seein' what's at stake Action for reaction If your mind's in a somewhat complacent state Get a check up, this is a stick up Our freedom or your life Lord, I wish I could be peaceful but there can be no sequel Now freedom must be fundamental In Johannesburg or South Central On the mic 'cause someone should tell 'em To kick in the township rebellion Yeah, what about that sucker? Yeah, so you thought you could Get with the hard lines that fill your mind thoughts Battles fought and lessons taught Yes, I'll display the fitness Then flip like a gymnast Raise my fist and resist Asleep, though we stand in the midst of a war Gotta get mine, gotta get more Keepin' the mic warm against the norm 'Cause what does it offer me? I think often it's nothin' but a coffin Gotta get wreck till our necks Never swing on a rope From here to the Cape of No Hope Now freedom must be fundamental In Johannesburg or South Central On the mic 'cause someone should tell 'em To kick in the township rebellion Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform?

Fight the war, fuck the norm

Why stand on a silent platform?

Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm

What's it gonna take?

Shackle their minds when they're bent on the cross When ignorance reigns, life is lost
Shackle their minds when they're left on the cross When ignorance reigns, life is lost

Shackle their minds when we're bent on the cross When ignorance reigns, life is lost
Shackle their minds when we're left on the cross When ignorance reigns, life is lost, lost, lost

Shackle your minds and you're left on the cross When ignorance reigns, life is lost Just shackle your minds when you're bent on the cross When ignorance reigns, life is lost, lost

Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm

Why stand on a silent platform? Fight the war, fuck the norm Why stand on a silent platform? Fight the war, fuck the norm
