

# Voice of the Voiceless

## Rage Against the Machine

Uh, Uh  
Cmon check it

Through Steel walls  
Your voice blastin on  
True rebel, my brother Mumia  
I reflect upon  
You be tha spark  
That set the prairie fires on  
Make the masses a mastodon path  
To trample the fascists on  
At fifteen exposed Phillys finest killing machine  
Boots and mad guns  
They pacify ya young  
Cause and effect  
Smell tha smoke and tha breeze  
My panther, my brother  
We are at war until youre free

Youll never silence the voice of the voiceless  
Youll never silence the voice of the voiceless

Yet tha powerful got nervous  
Cause he refused to be their servant  
He spit truth  
That burned like black churches  
Prose and versesA million poor in hearses  
Watch the decision of Dred Scott  
As it reverses  
Long as the rope  
Is tied around Mumias neck  
Let there be no rich white life  
We bound to respect  
Cause and effect  
Cant ya smell tha smoke in tha breeze  
My panther, my brother  
We are at war until you're free

Youll never silence the voice of the voiceless  
Youll never silence the voice of the voiceless  
Youll never silence the voice of the voiceless  
Youll never silence the voice of the voiceless

And Orwells hell a terror era coming through  
But this little brothers watching you too  
And Orwells hell a terror era coming through  
But this little brothers watching you too  
Watching you too
