

Without a Face

Rage Against the Machine

Uh, got no card so I got no soul
Life is prison, no parole, no control
The jura got my number on a wire tap
'Cause I jack for similac, fuck a Cadillac
Survive one motive no hope
'Cause every sidewalk I walk is like a tightrope

Yes, I know my deadline sire, when my life expires
I'm sendin' paper south under the barbed wire
The mother of my child will lose her mind at my grave
It's my life for their life so call it a free trade
"Por vida" and our name up on the stall
I took a death trip when I tried to cross the white wall

Walk unseen past the graves and the gates
Born without a face
One motive no hope, ah
Born without a face

Walk unseen past the graves and the gates
Born without a face
One motive no hope, ah, yeah
Born without a face, without a face

Yeah, I tried to look back to my past long lost
A blood donor to the land owner holocaust
Pops heart stopped, in came the air drop
Flooded the trench he couldn't shake the toxic shock
Maize was all we needed to sustain
Now her golden skin burns, insecticide rain

Ya down with DDT, yeah you know me
I'm raped for the grapes, profit for the bourgeoisie
War tape boomin' path is Luminoso
I'm headed north like my name was Kid Cisco
To survive one motive no hope, ah
It's hard to breathe with Wilson's hand around my throat

Strangled and mangled another SS curtain call
When I tried to cross the white walls
When I tried to cross the white walls

Walk unseen past the graves and the gates
Born without a face
One motive no hope, ah
Born without a face

Walk unseen past the graves and the gates
Born without a face
One motive no hope, ah
Born without a face

You say fortify, reaction, you divide
And you say fortify, reaction, reaction
And you say fortify, reaction, reaction
You say fortify, reaction, you divide
